THERE ARE 3 LEVELS OF COVER TO CHOOSE FROM:

- **Complete** – This is the highest level of cover which provides protection against sudden mechanical or electrical failure of the majority of factory fitted components
- **Standard** – Offers protection against mechanical and electrical failure for a wide range of specified components
- **Essential** – Provides protection for the main components of your engine, transmission and drive-train of your Vauxhall

VAUXHALL INSURANCE

We know little scrapes happen. If anything happens to your vehicle you can be sure that the Vauxhall experts will get you safely back on the road.

KEEPING IT GENUINE.

Your Vauxhall is built from lots of different materials. Replacing one of those using non-genuine methods or parts might not retain the same safety standards. So we'll only ever use genuine Vauxhall parts and Vauxhall approved repairers.

WE'LL MAKE IT SHINY AND NEW.

If your vehicle's written off in the first year of registration we'll replace it with a brand new one.

WE'LL KEEP YOU ON THE MOVE.

You can have a free courtesy vehicle if a Vauxhall repairer needs to work on your vehicle. Subject to availability. Comprehensive customers only.

WE'RE ALWAYS HERE.

You'll be able to access our UK claims service 365 days a year. Yes, even on Christmas day.
